IDENTIFICATION POLICY

It is your responsibility to read and understand the ID requirements in the GRE Bulletin or at www.ets.org/gre/revised_general/test_day/id. A valid ID with your name, signature and photograph is required. In addition, your ID requirements depend on your country of citizenship and where you plan to test. The name given when you registered must exactly match the name and signature on the ID document you present at the test center. If you arrive at the test center without the required ID, you will not be admitted and your test fee will be forfeited. Take the time to read the bulletin or visit the website to review the complete ID requirements.

RESCHEDULE / CANCEL POLICY

You must reschedule or cancel your test registration no later than four days prior to your test date or your test fee will be forfeited. Review all reschedule and cancellation policies at www.ets.org/gre/revised_general/register/change.

RETAKING A TEST POLICY

You may take the GRE revised General Test (computer-delivered and paper-delivered) once every 21 days, and up to five times within any continuous rolling 12-month period. This applies even if you cancelled your scores on a test taken previously.

ADDITIONAL INFORMATION

ON TEST DAY

Report to the test center at least 30 minutes before your scheduled appointment for check-in procedures. If you arrive late, you may not be admitted, and your test fee will be forfeited. Plan to be at the test center approximately 5 hours.

Cell phones, smart phones (e.g., BlackBerry®, iPhone® devices), PDAs and other electronic, listening, recording and photographic devices are not permitted in the testing center. For further information see the GRE Information and Registration Bulletin.

SENDING SCORES

With the ScoreSelect(SM) option, you can decide which GRE scores from your reportable history to send to the institutions you designate. Knowing you'll have the option to send the GRE scores that you feel reflect your personal best can help you approach test day with more confidence. To learn more about how to send your most recent scores, all scores, or any scores within your reportable history, visit www.ets.org/gre/scoreselect.

GRE® SUBJECT TESTS

GRE Subject Tests are an excellent way for you to demonstrate your knowledge in specific subject areas and to help strengthen your graduate school application. Subject Tests are available in 7 disciplines: Biochemistry, Cell and Molecular Biology; Biology; Chemistry; Literature in English; Mathematics; Physics; and Psychology. If you're majoring in, or have extensive background in one these disciplines, you should consider taking a GRE Subject Test in addition to the GRE revised General Test. To learn more, visit www.ets.org/gre/subject.

We wish you the best on test day!

Sincerely,

North America
